

# 4 TINE SCRAP GRAPPLES

- ▶ Made in the USA.
- ▶ Cylinders integrated into tines for protection/removable covers.
- ▶ Designed for material handlers that run high pressure and high flow.
- ▶ One Year Warranty.

## Improved Design

- 23% lower profile than standard grapples
- 100% Protected Cylinders and Hoses

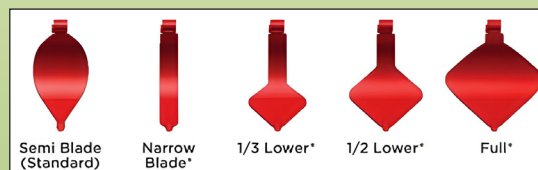

## Rotation

- Motor features built in cross over relief - prevents damage from pressure spikes
- Upgraded swivel wear-bands for longer life

## Cylinder Features

- Grease seals added to lower pin connection
- Bronze bushing replaces spherical bearing
- 2 inch cylinder pins with wider bushings
- High pressure seals designed to handle increased pressure and pressure spikes

## AVAILABLE TINE CONFIGURATIONS
