PERFOTEK
PERFORMANCE FIBER TECHNOLOGY

Size: M-XL

PERFOTEK gloves are engineered to protect from industrial puncture hazards with a perforation plate, it has been proven to be highly protective and highly dexterous.

Moisture Wicking

Cut Resistance

Flexible

• 2 Layers of Palm Puncture Resistance

• Polyurethane Palm and Fingertip Coating

• Cut Resistance Seamless Liner

• ANSI ASTM F2878 Hypodermic Needle Level 4 on Palm

BASETEK
Performance Fiber Technology

ARM-02-014 Size: S-2XL

FEATURES:

13g green Basetek liner, black polyurethane palm coating. Improved grip. Cut level 4 for abrasion cut, tears and puncture resistance.
