CANMAG MAGNETS

BUILT TOUGH • DESIGNED TO LAST

Heavy duty magnets for every scrap yard use.

- Cast steel case for high magnetic permeability and maximum toughness.
- Extra thick rolled or rib reinforced cast manganese steel bottom plate, for excellent wear resistance (hot work bottom plates available).
- Aluminum with high quality insulation and 75% duty cycle. (Copper coil also available)
- Hinged cover over terminal box.
- High quality alloy steel chains w/test cert.
- 230 VDC
