# REGULATOR SAFETY ACCESSORIES

## GAUGE GUARDS

### FEATURES

- Sturdy steel, heavy duty gauge guard that can withstand multiple impacts.
- 100% carbon steel construction.
- Laser cut and hand TIG welded fabrication - Not stamped.
- Easy gas identification with color coded exterior (green for oxygen and red for fuel).
- Powder coated surfaces that will not fade from exposure to sunlight and harsh environments.
- Cork lined clamp band for contact with the regulator that will not damage regulator finish and dampens vibration that may cause guard to loosen.
- Clear unobstructed view of pressure readings with complete protection of the gauges.
- Fits all Harris model 25GX regulators.
