

# Tamper Evident Door Seal (TEDS)

A Tamper Evident Door Seal (TEDS) is an ideal solution for situations where the regular tamper evident seal can not be applied. When removed, this label will show an OPEN / VOID warning message. The receiver will immediately realize that the shipment was opened and tampered with. The Tamper Evident Door Seal (TEDS) is an excellent way to ensure that all shipments are secure.

#### CHARACTER:

- 3" Tall numbering
- Stub for Bill of Lading and/or shipment
- Bar code for quick scanning
- 4" x 13" for the seal and 1/4" of 2 to 4 pieces of the stubs for easy peeling
- Black print on colors silver, orange or red
- Company logo or message can be customized

#### APPLICATION:

- Ocean container
- Truck trailer
- Corrugated boxes
- Air freight cargo container
- Stretch film wrapped shipments
- Drums or barrels
